A group of 40 students of Jawahar Navodaya Vidyalaya, Sahaspur, Dehradun visited FRI, Dehradun on 22\textsuperscript{nd} Nov 2019 under “PRAKRITI” programme along with their escort teachers. The objective of the visit was to promote awareness about forest and environment among school children for acquiring skills for care and protection towards forests, environment and society.

Dr. A.K. Pandey, Head, Extension Division, FRI, Dehradun gave brief about the institute including various technologies/practices developed by FRI Scientists and its contribution to the environment and society. He interacted with the students and replied queries raised by the students. Thereafter, students visited various museums viz. Forest Pathology museum, Silviculture museum, Timber Museum, Bambusetum and Botanical garden. During the visit of different museums, queries were raised by students and explained by concerned scientists/officers deputed in museums of FRI. The team of Extension Division, FRI including Dr. Devendra Kumar, Scientist D, Dr. Charan Singh, Scientist-E, Mr. Rambir Singh, Scientist D, Shri Vijay Kumar, ACF and Shri Preet Pal Singh, Deputy Forest Ranger contributed to make successful of visits of students from JNV, Sahaspur, Dehradun The glimpses are given below:
