

Awareness Programmes by Dr. Meenakshi Bharath, an Economist and Award Winner of 'Namma Bengaluru 2012' on Solid Waste Management

Dr. Meenakshi Bharath, an Economist and Award Winner of 'Namma Bengaluru 2012' conducted awareness programmes on 16th & 23rd April 2012 in IWST campus on solid waste management. All the officers, staff and their family members have attended the programme. The purpose of the programme was to create awareness among the people on making use of waste (house/garden) available in the campus for useful products.

The following programmes will be launched soon.

- **Bio Gas Unit** for all Food/Kitchen waste to be attached to the Common Kitchen in the Guest House building.
- **Tank Composting** facility for garden/horticulture waste which will be used in IWST Nursery.
