

TRAINING OF STUDENTS BEGINS AT RFRI, JORHAT

Training of Ten numbers of Final Year B. Sc. (Forestry) students of College of Horticulture & Forestry (CAU), Pasighat under Forestry Work Experience Programme has been kicked off at RFRI, Jorhat (Assam) on 6th August, 2012. The training will be of 33 days duration, upto 7th September, 2012. Speaking on the Orientation Session of the training, Dr. R. K. Borah, Group Coordinator (Research) emphasised the need of imbibing more and more knowledge and experience during the course of training. He welcomed the students to RFRI and assured the students that their expectations will be fulfilled during the training. Other Scientists and Research Officers of the Institute also spoke on the occasion.

Sri R. K. Kalita, Coordinator of the training advised the students to maintain strict discipline and punctuality during their stay at RFRI. He requested to the students to extract maximum during the training. The students will be attached to each Division of the Institute. They will be exposed to different theory as well practical sessions. Field trips will also be arranged like trip to RFRI Demo Village and Gibbon Wildlife Sanctuary.
