Tropical Forest Research Institute, Jabalpur to organise Farmer’s fair

Tropical Forest Research Institute (TFRI), Jabalpur successfully organised KISAN MELA at Krishi Vigyan Kendra, Mandla on 11th March 2022. The fair focused on assisting farmers with readily transferable technologies developed by various government institutes and non-government organizations. It also provided platform to acquaint farmers, tribals and other forest dependent populations including non-wood forest produce and medicinal plant dealers with financial schemes and support in Agroforestry & Forestry activities.

Dr. G. Rajeshwar Rao, ARS, Director TFRI extended warm welcome to all the eminent guests, farmers and other participants of the fair. He briefed about various technologies developed by the institute and importance of extension of these for benefit of the farmers. Assuring them constant support and guidance by the institute, he encouraged them to participate and benefit fully by participation in the event.

Shri Faggan Singh Kulaste, Hon. Minister of State for Steel & Rural Development, Government of India and Chief Guest of the event addressed the gathering on importance of forestry and agricultural organisation for dependent communities. He emphasized on cultivation of bamboo and informed about handicraft packaging and marketing of it's products facility available at the district. He spoke in detail about various possibilities to be explored by the district including that of various fruit and lac species.

The Chief guest released a documentary of TFRI in hindi version during the event. He also released the first News letter of TFRI in both the language i. e. hindi as well as in English for the stakeholders.

Other eminent guests of the event also expressed their views addressing to forestry and agriculture and opportunities in the field.

Dr. S.R.K. Singh, Director, ATARI, Jabalpur spoke on various usages and opportunities in bamboo sector. He also raised concern over climate change, role of trees in its mitigation and krishi-sansakar- shiksha for healthy environment and living.

Shri Amitabh Agnihotri, Director, State Forest Research Institute, Jabalpur spoke on efforts of different organisation in doubling of farmers income.

Director ICAR-DWR, spoke on expanse of loss on agricultural and forestry yield caused by different weeds and steps taken to control or put these to use.

Dr. Pradeep Kumar Bisen, VC, Jawaharlal Nehru Krishi Vigyan Vishwavidyalaya enthusiastically spoke about the benefit of the fair as collaboration of forests and agriculture for benefit of farmers. He passed to take pledge to incorporate forestry trees like lac production species, bamboo substituting part of agriculture with forestry for enhancing income and participation in climate change mitigation.

Total Eight farmers were facilitated who have adopted Tree farming, Bamboo farming, Lac farming, Organic farming, Medicinal plant farming and also involved in value addition of Lac, Bamboo products, Jaiwik products, wood products, medicinal plant products. They are honored by the Chief gust during the event. Over 400 farmers of Mandla, Dindori, Barela, Tikariya and adjoining areas were actively participated in the event.
Question answer session was also conducted by Dr. Nanita Berry, Coordinator of the programme for the farmers and during the Mela. Various progressive farmers also shared their journey and experiences on Lac, Bamboo cultivation with the participants.

In Kisan Mela, 22 stalls were displayed by the different organizations like IFFDC, Mandla, NABARD, Mandla, and Rewa units. Borlaug Institute, SFD Mandla, JNKVV, Jabalpur, Pradaan NGO, Mandla, Weed Science Research Institute, Jabalpur, Bamboo grower, KVK, Dindori. TFRI holds *Kisan Mela* to inform farmers about new technology

**Staff Reporter**

TROPICAL Forest Research Institute (TFRI), Jabalpur organised *Kisan Mela* at Krishi Vigyan Kendra, Mandla on Friday. The fair focused on enlightening farmers with readily transferable technologies developed by ICFRE institutes, more so, of TFRI. It also provided a platform to acquaint farmers, tribals and other forest-dependent populations including non-wood forest produce and medicinal plant dealers with financial schemes and support in Agroforestry & Forestry activities. More than 400 farmers enthusiastically attended the event.

Dr. G. Rajeshwar Rao, ARS, Director TFRI extended warm welcome to all the eminent guests, farmers, and other participants of the fair. He briefed about various technologies developed by the institute and importance of extension of these for benefit of the farmers. Assuring them constant support and guidance by the institute, he encouraged them to participate and benefit fully by participation in the event.

A documentary on TFRI in Hindi was released by chief guest and screened to all to acquaint people present about TFRI and its contribution in the R&D and extension of forest research.

Faggan Singh Kulaste, Minister of State for Steel & Rural Development and chief guest of the event addressed the gathering on the importance of forestry and agricultural organisation for dependent communities. He emphasised on cultivation of bamboo and informed about handicraft, packaging and marketing of its products facility available at the district.

Dr. PK Bisen, VC, JNKVV enthusiastically spoke about the benefit of the fair as collaboration of forests and agriculture for benefit of farmers.

Amitabh Agnihotri, Director, SFRI, Jabalpur, Sampatiya Ulkey, Member of Rajya Sabha and Saraswati Maravi, President, Jila Panchayat, Mandla were also present.

Organisations like IFFDC, MPSFD, herbal industries, TFRI, JNKVV, DWR etc put up stalls for the benefit of farmers and dignitaries.

A ONE-DAY Kisan Mela was organized at Kirki Vigan Kendra under the joint guidance of Indian Council of Agricultural Research, Forestry Research Institute, Kirki Vigan Kendra Mandi and NABARD. Union Minister of state for Steel and Rural Development, Veggan Singh Kalatare attended the fair as the chief guest.

On this occasion, Rajini Sabitha REJ Sambamurthy, President of District Panchayat, Sarawasti Murari, Vice Chancellor Jawahar Lal Nehru Agricultural University Jabalpur, Pr. Kishor, Director of Tropical Research Institute Jabalpur, Dr. Raji, Director, Dr. Amita, SR. Singh, Director of Forest Research Institute, Anusha Agarwal, Director of Forest Research Institute, Colliery, Harichand Singh, Superintendent of Police, Ashish Singh, Gupta, District Panchayat, Victor President, Ahirkhah, Mahendra, Senior Agricultural Scientist of Kirki Vigan Kendra Mandi, Dr. Vishal Mehandir, Agricultural Scientist, Agriculture Officer, District NABARD Chief, Sahibshah and farmers of Mandi and adjoining districts were present.

Addressing the one-day Kisan Mela, Ms. Ashita Hidro, the Union Minister, Kalatare said that organizing such events is important for the development of advanced agriculture and forestry in Mandi and surrounding areas. The Central Government’s policies are determined to double the income of farmers. By organizing such an event, the farmers are encouraged to prepare new crops from experts regarding the latest technologies, innovation, and ideas along with a positive effect in their farming. The Union Minister informed that research work is being done by research institutes to make agriculture a profitable business. He told the farmers present that bamboo cultivation is also economically beneficial. He instructed to make the farmers of those areas aware about crops, forestry and other productions by classifying different areas of Mandi district according to rainfall and geographical conditions. Kalatare said that work is being done to promote agriculture in Mandi district. In the coming days, maximum and multipurpose use of the land will have to be done.

Kalatare said that from time to time meetings are conducted to educate agriculture and forestry should be organized. He also talked about attracting and help groups to this area. The Minister of state also discussed in detail the substantial potential of production of mallow, silk, koodi, and other small-scale products. Addressing the one-day Kisan Mela, Rajini Sabitha REJ Sambamurthy, President of District Panchayat, said that the government has taken effective steps to encourage crop production in the region. She said that efforts are being made to increase the production of green vegetables in the region. Kalatare also informed the guests that her government is committed to providing all the necessary facilities to the farmers. She said that she would continue to work towards the well-being of farmers and would ensure that they get the necessary support to increase their income. Anurag Thakur, MLA, also addressed the gathering and assured the farmers of all possible support from the government. Sabitha REJ Sambamurthy, President of District Panchayat, said that the government is committed to providing all the necessary facilities to the farmers. She said that efforts are being made to increase the production of green vegetables in the region. Kalatare also informed the guests that her government is committed to providing all the necessary support to the farmers. The event was attended by a large number of farmers, officials, and dignitaries. The event was held in the rural areas of Mandi district, where there is a significant population of farmers.
