

Azadi Ka Amrit Mahotsav 2022 -2023

Awareness Programme on “Understanding LiFE Movement” for Students of Kendriya Vidyalaya, Tropical Forest Research Institute

Commemorating World Environment Day on June 05, 2022, Hon’ble Prime Minister of India launched a global initiative Lifestyle for the Environment (LiFE) Movement to encourage individuals across the globe to undertake simple climate-friendly actions in their daily lives or adoption of environment-conscious lifestyle in our fight against climate change. LiFE Movement seeks to replace current "use-and-dispose" economy by a circular economy whose principles are anchored on individual consciousness and mindful consumerism. Individuals who practice such a lifestyle on day-to-day basis will be recognised as ‘Pro-Planet People’ (P3). LiFE mission plans to create and nurture a global network of Pro-Planet People who will have a shared commitment to adopt and promote environmentally friendly lifestyles.

With the purpose of awareness creation and knowledge dissemination for better outreach of “LiFE Movement” and for adopting shared yet differential responsibilities to fight against climate change, Forest Ecology and Climate Change Division of Tropical Forest Research Institute, Jabalpur organized an awareness programme to the secondary school students of Kendriya Vidyalaya (KV), Tropical Forest Research Institute

(TFRI), Jabalpur on 09 December 2022 at the conference hall of KV, TFRI. The students were given an orientation programme through lecture and power point presentation to highlight the severity of climate crisis, plastic pollution and to make them aware, how impactful can be the effect of individual actions, if taken up with due diligence for long term commitment. Students were also made conscious on different steps or behavioural changes that can be brought about in our daily lives to become part of ‘Pro-Planet People’. An Exercise for idea generation, for an environment-conscious lifestyle was also conducted at the end of the event. The programme had 52 students of high school in attendance along with the faculties and Principal, KV TFRI. Students and Faculties expressed their gratitude for conducting the programme and extended their invitation for more, and similar participatory events to translate the vision of LiFE into a mass movement.

Glimpses of the Awareness Programme on “Understanding Life Movement” for Students of Kendriya Vidyalaya, TFRI held on 09.12.2022
