CHRONICLE NEWS SERVICE

Jorhat: Chief Minister of Assam, Dr. Himanta Biswa Sarma visited Radio Frequency Research Institute, Jorhat on 30th August 2021. Dr. Shri Jayasang, Director of the institute welcomed him with two different gestures and Chotai-themed Kalash. Along with the Chief Minister, three Cabinet Ministers, namely, Dr. Himanta Biswa Sarma, Atul Borah, and Jyotiraditya Sarma; two Members of Parliament, Kamalendra Pratap Singh and Tapas Goswami; two Members of Legislative Assembly, Himanta Devi Goswami, Romapoja Rajkhowa; and Pradip Hazarika, apart from Deputy Commissioners, B. E., Eastern Range, Assam, and Jorhat also visited the Institute.

Dr. Jayasang made a detailed presentation on various activities of the Institute. He put much emphasis on chapter-wise research and operations of the Institute. The Chief Minister in his speech thanked the institute and mentioned the contributions of RFRI to the people of Assam in particular and the country in general. He further said that the government of Assam would work closely with RFRI to thrust this institute for the growth of bamboo. He added that the team at RFRI will work closely with the district administration of Jorhat to make the institute self-sufficient and to ensure that the institute remains a major contributor to the economic growth of the state. Mr. Sarma also thanked the institute for the work done towards the growth of bamboo and bamboo Research. He further added that the institute is an important part of the government’s policy of promoting bamboo as a major agricultural crop in the state. The Chief Minister further added that the institute will focus on research and development of bamboo products and technologies to make the institute self-sufficient in terms of bamboo processing and utilization. He also added that the institute will be a major contributor to the economic growth of the state and the country as a whole.
CM visits Rain Forest Research Institute

STAFF CORRESPONDENT

JORHAT, Aug 22: Chief Minister Dr Himanta Biswa Sarma visited the Rain Forest Research Institute (RFRI) during his visit to Jorhat earlier this week.

An RFRI official informed that Director of the institute, Dr NSU Jayasri, made a detailed presentation on various activities of the institute.

Dr Jayasri emphasized two flagship areas of research and extension of the institute – bamboo and agro. In his presentation, Dr Jayasri spoke about the services rendered by RFRI to Assam, in particular and other states in general.

The Chief Minister was accompanied by his Cabinet colleagues Dr Ranjib Pegu, Arul Bora and Jogen Mohan, Rajya Sabha MP Karmaksha Prasad Taak, Jorhat Lok Sabha MP Topon Kuswar Goswami, and the legislators of Jorhat, Debaghar, Tulkot and Anguri, the official said. Senior Scientist Raj Kumar Kaita conducted the programme.

Relief distributed: The Jorhat Sangsad Ship Sarejgadh, a leading cultural organisation, recently distributed food items to 100 artistes in a relief distribution ceremony held at a private school here. Singers, musicians, drama and sound artists, photographers and employees of printing presses, who have been badly hit by the pandemic, were given food packets.
