

**ICFRE-LEC CONDUCTS PRAKRITI
PROGRAMME AT JNV, MAHANPUR, TRIPURA**

Indian Council of Forestry Research & Education-Livelihood Extension Centre, Agartala (Tripura) organized Scientists-Students' connect programme, called 'Prakriti' at Jawahar Navodaya Vidyalaya, Mahanpur, Tripura on 17th January, 2025. There were around 85 students from class IX and X participated in the programme. Shri Niren Das, CTO and Program Coordinator, ICFRE-LEC, Agartala interacted with the Students. He delivered a presentation on various aspects of the Institute, apart from Prakriti Programme. He also sensitized the students on Biodiversity and its Conservation.

Presentation was followed by a quiz competition in which class IX and X students participated separately. There was overwhelming response from the students. Prizes were distributed to the winning students. A plantation programme was also conducted at the premises of the school.
