		<p>the LoI /PO/ Work orders.</p> <p>b) Work completion/Phase completion/Payment Proof certificates duly signed by the authorized signatory from the Client end. orders.</p> <p>Means of similar nature: Web/Mobile/Software Application</p>	
4	<p>Scope of Work RFP Pdf Page 2-> Scope of work -> Some functionalities.</p> <p>"Some functionalities of the Green Credit Programme Portal but not limited to the followings are given below:"</p>	<p>"Kindly clarify that :</p> <p>1. Clarifying the limit of the scope: When ""not limited to"" is used, it suggests there is no strict limit to the things being referred to. So you are requested to clarify the limit of the scope, you are requested to define specific boundaries or give an exact list of what is included.</p> <p>2. Removing ""not limited to"" from phrases: If you want to avoid ambiguity and ensure the scope is clearly defined, removing the phrase ""not limited to"" would be appropriate. Instead, you could specify exactly what is meant and what is included within the scope."</p>	<p>No change in the existing clause of etender document.</p> <p>But During the maintenance period, if any change is required in the portal which is outside the scope of work, then a committee constituted at ICFRE will review the change request of the firm and will recommend decision on the change request along with man hours required.</p>
5	<p>Scope of Work RFP Pdf Page 2-> Scope of work -> i "Operation of the portal</p>	<p>1. Content Management: bidder have to</p>	<p>1. Content will be provided by ICFRE and bidder will design and update it on</p>
