REQUEST FOR EXPRESSIONS OF INTEREST
(Individual Consultant - Selection)

COUNTRY: INDIA

NAME OF PROJECT: ECOSYSTEM SERVICES IMPROVEMENT PROJECT

Grant No.: TF0A3990

Assignment Title: State Coordinating Consultant

Reference No.: IN-ICFRE-135219-CS-INDV

The Government of India has received financing from the World Bank toward the cost of the Ecosystem Services Improvement Project (ESIP), and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include engagement of Individual Consultant (IC) for implementing of one of the components of ESIP i.e. Scaling up Sustainable Land and Ecosystem Management in Selected Landscapes. The consultant would need to look into the natural resource management and biodiversity assessment related activities of ESIP in the States of Chhattisgarh and Madhya Pradesh. The initial duration of the contract for this assignment is for a period of two years. Terms of Reference for selection of Consultant is given in Annexure - I.

The Indian Council of Forestry Research and Education (ICFRE), Dehradun now invites eligible individual consultants to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

i. Essential qualification is Postgraduate degree in Natural Resource Management/Forestry/Botany/Environmental Science or equivalent and desirable qualification is doctorate degree in the relevant field.

ii. Minimum 10 years of experience in coordinating project activities, particularly in the context of natural resource management/forestry projects etc. Candidates with diverse practical and research experience in the field will have an advantage.

iii. Experience of working with government agencies and of working in natural resource management/forestry projects will be preferred.
iv. Proven record of scientific peer-reviewed publications and development of knowledge products with respect to natural resource management etc.

v. Strong background in coordination of project activities is an advantage.

vi. Knowledge of and experienced in project cycle management and well versed in logical frameworks.

vii. Fluent in speaking and writing English.

viii. Strong communication skills.

ix. Computer skills.

x. Ability to work effectively in a team interacts persuasively with a range of stakeholders, and travel extensively.

A Consultant will be selected in accordance with the Selection Based on the individual consultant selection method set out in the Consultant Guidelines. A consultant shall submit individual CV as per the prescribed format (Annexure-II). The individual consultants are to be selected on the basis of their relevant experience, qualifications, and capability to carry out the assignment.

Expression of interest must be delivered in a written form either through postal mail or by email using the prescribed format on or before 25 November 2019.

1. **Background**

The Government of India has received financing from the World Bank toward the cost of the Ecosystem Services Improvement Project. Indian Council of Forestry Research and Education (ICFRE) is one of the implementing partners of ‘Ecosystem Services Improvement Project (ESIP)’ and may implement one of the components of ESIP, *i.e.*, Scaling up Sustainable Land and Ecosystem Management (SLEM) in Selected Landscapes. The main objectives of this component are to prevent land degradation and desertification and increase above-ground forest carbon stock through a combination of investments to implement and scale-up tried-and-tested SLEM best practices, to increase national capacity for monitoring land degradation and track associated indicators, and to generate knowledge exchange on SLEM approaches. The goal is to benefit small and marginal farmers and other rural poor and to develop a national knowledge platform for supporting a community of practice on SLEM. These activities are designed to overcome the twin challenges of arresting land degradation and meeting food security targets. This component will finance on-the-ground sustainable land management investments in private land holdings and common property lands and enhance knowledge and capacity for further scaling up of SLEM approaches at the national level. It will draw heavily from the best practices and approaches that were tried and successfully developed under SLEM project. This component can help increase national capacity for monitoring the status of land degradation and desertification and SLEM outcomes, as well as the results of UNCCD action programmes at the country level.

2. **Objective(s) of Assignment**

   i. To ensure that the program outputs contribute to strengthening the policy foundations for scaling-up of integrated SLEM approaches for reducing land degradation and desertification, building national capacity for land degradation and desertification monitoring, and implementation of a national knowledge network.

   ii. Ensure coordination and networking of the State Forest Departments of Chhattisgarh and Madhya Pradesh, other project implementing agencies and stakeholders with responsibilities related to scaling-up of SLEM approaches.

   iii. Develop linkages with State Forest Departments of Chhattisgarh and Madhya Pradesh and other stakeholders for scaling-up of integrated SLEM approaches for reducing land degradation and desertification.

   iv. Gather and disseminate information and experiences on communication strategies pertaining to the project to a wide audience.
v. Bringing out quality publications and other documentations etc. related to the project.

3. **Scope of Services, Tasks (Components) and Expected Deliverables**

(a) **Scope of Services, Tasks (Components)**

i. Provide technical leadership and facilitate relevant strategy development for promoting and facilitating coordination with State Forest Departments of Chhattisgarh and Madhya Pradesh, other project implementing agencies and stakeholders.

ii. Support development of annual action plans in consultation with the Project Director, Project Manager and other technical consultants, focusing on coordination with all the stakeholders.

iii. Support in preparation of relevant guidelines, operational manuals and other documents for project coordination.

iv. Support in organizing and facilitating meetings with State Governments, technical expert committees, civil society organizations and other stakeholders related to project implementation.

v. Support in quality implementation of other thematic activities in the project, such as training programmes, communication strategy, project MIS and operations research etc.

vi. Support in documentation, dissemination and scaling up of SLEM best practices.

vii. Support the Project Director and Project Manager in the implementation of project, preparation of progress reports and other documents of project.

viii. In addition to the above listed tasks, the consultant may be called upon to assist in any other task (related to project) assigned by Project Director and Project Manager of ESIP related to the core expertise of the consultant.

(b) **Expected Deliverables**

i. Prepare coordination framework documents of the project.

ii. Prepare the annual work plan for the project in consultation with other project experts.

iii. Prepare regular progress report of the project.

iv. Prepare technical reports, technical papers, policy papers and approach papers related to the project.

v. Undertake thematic visits related to the project works.

vi. Conceptualize the training modules for capacity building of stakeholders on natural resource management, SLEM, carbon stocks monitoring, land degradation and desertification monitoring etc.

vii. Any other work (related to project) assigned by Project Director and Project Manager, ESIP, ICFRE.

Data and documents/reports/papers etc. generated by the consultant under ESIP will be the sole property of ICFRE. Consultant should ensure to hand over print and electronic copies of data and documents/reports/papers to the Project Manager of ESIP before completion or termination of the contract.
Performance of the consultant will be measured against assigned work plan and it will be updated every six months. Consultant will submit quarterly progress reports stating her/his accomplishments against the agreed work plan and also submit any other reports as required by the project management authorities.

4. Qualification Requirements
   i. Essential qualification is Postgraduate degree in Natural Resource Management/Forestry/Botany/Environmental Science or equivalent and desirable qualification is doctorate degree in the relevant field.
   ii. Minimum 10 years of experience in coordinating project activities, particularly in the context of natural resource management/forestry projects etc. Candidates with diverse practical and research experience in the field will have an advantage.
   iii. Experience of working with government agencies and of working in natural resource management/forestry projects will be preferred.
   iv. Proven record of scientific peer-reviewed publications and development of knowledge products with respect to natural resource management etc.
   v. Strong background in coordination of project activities is an advantage.
   vi. Knowledge of and experienced in project cycle management and well versed in logical frameworks.
   vii. Fluent in speaking and writing English.
   viii. Strong communication skills.
   ix. Computer skills.
   x. Ability to work effectively in a team interacts persuasively with a range of stakeholders, and travel extensively.

5. Client’s Input and Counterpart Personnel
   (a) Services, facilities and property to be made available to the consultant by the Client:
      1. Furnished office room
      2. Computer, internet facility
      3. Relevant documents required for imparting services.
      4. @ 1 days leave per month
      5. Any other services required.
      6. Traveling expenditure as per Government of India norms for the consultants/contract personnel.

   (b) Professional and support counterpart personnel to be assigned by the client to the Consultant’s Team: Nil

6. Duration and Location
   The initial duration of the contract for this assignment is for a period of two years and likely to be extended further depending upon the performance of consultant and requirement of project. The consultant will report to the Project Director and Project Manager of ESIP. Contracts involve
extensive long duration touring in the project sites under the states of Chhattisgarh and Madhya Pradesh for project related activities.

7. Remuneration and Payment Terms

The consolidated remuneration of the consultant will be INR 75,000/-per month and TDS will be deducted as per the Income Tax Norms. Annual hike @10% of consolidated monthly remuneration may be provided subject to the satisfactory performance of the consultant. Travel expenditure, to the travel undertaken by the consultant for project works will be reimbursed as per the norms of the Government of India/ICFRE. No other allowances would be reimbursed or paid to the consultant.
